DETAILED ACTION

Response to Response

1. This action is in response to the communication filed on 9/22/06.
2. Claims 1-23 are pending in this action.
3. Claims 1-23 are allowed.

Allowable Subject Matter

Claims 1-23 are allowed.

The following is an examiner's statement of reasons for allowance:

As per claims 1-23: the claims are directed to a first and a second housing portion for a portable electronic device. The prior art of record does not teach or fairly suggest a first pivot member disposed along a first pivot axis and a second pivot member disposed along a second pivot axis perpendicular to the first pivot axis, wherein the first and second pivot members are connected by a joint, as recited, particularly in claims 1 and 21 and/or a portable wireless device that can be self configured into a portrait or a landscape configuration based on a relative position of a rotating first element about a second element, as recited in claim 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
